

Use a square stamp to build a pattern that showcases the trendy three-pointed triangle.

Die-cut the triangle opening before stamping the panel. Then line up the triangle panel to the card and stamp through the die-cut opening to ensure proper placement of the sentiment.

Geometric Hello Card

Designer: Lorena Cantó Lavería

- ❶ Stamp squares on card base.
- ❷ Draw lines with embossing marker and ruler; emboss.
- ❸ Die-cut “Hello” from cardstock; adhere to card.

Hello My Friend Card

Designer: Cynthia Baptista

- ❶ Die-cut triangle from cardstock.
- ❷ Stamp triangles on die-cut panel.
- ❸ Stamp sentiment on cardstock and adhere behind stamped panel with foam tape.
- ❹ Mat panel with cardstock; adhere to card base with foam tape.
